### Music Director Updates

- Band: Travis Hicks
  - OMEA Solo & Ensemble, Olentangy schools have decided to host their own event at a later time-April 9th and will occur at Olentangy HS, so more kids can attend, registration still available and time to prep.
  - Had a winter concert after winter break. A lot of kids were missing due to covid, but happy to be back in the theater and performing. Some kids haven't performed live since 7th grade, due to covid, unless in marching band.
  - Winterline has its premier weekend this weekend and in 2 weeks will have a home show. Jen asked if there can be an extra charge for tickets for using credit cards, as that would help to cover fees. This will be looked into further. Details for the show will also come later.

- Discussed fundraising options, as an email was received from business. Will look into, usually only have restaurants or those with a time limited option, not as ongoing.
- Discussed possible Trivia Night again for fundraising.
- Another possible fundraiser would be the mattress fundraiser and would have that time bound.
- Dine and donate were past options, Chipotle, Wendy's, Cane's, City Barbeque–Kelly Barcus may have past information.
- Date for spirit day (kids go door to door and ask for donations), will look at a date in Fall next school year, before marching season, may try to look at something before this year ends around end of April
