# Legacy Pavers

We are proud to again present the opportunity to pave a path to the future and leave behind a legacy for years to come. LMBA's unique brick paver patio that will be installed on the west end of the high school (by the performing arts entrance) gives you the option to purchase and engrave 3 sizes of bricks to virtually leave any message that you want. All net proceeds will go back to LMBA to support the music department at the high school and middle school levels.
