

Marching Band Summer Info

I would like to take this opportunity to welcome you to the OLHS Band Program. My name is Travis Hicks and I am the Director of Bands here at Liberty High School. I know you have been receiving information regarding our program but I wanted to touch base one more time before our summer begins. Please look at the information provided below and do not hesitate to contact me if you have any questions.

Marching Band Exemptions-All students that are a part of the Concert Band Program are part of the Marching Program as well. Many students that are in fall sports have conflicts with our rehearsal and contest schedule and therefore I allow these students to be exempted from the Marching portion of the class. Some of our fall sports do work with our schedules and students are able to participate in both. If you are seeking an exemption, you must contact me via email with your child's name, sport that is the conflict and a contact number to get in touch with you. Please do so immediately so I can grant the exemption and remove your child off our Summer Roster. Send all emails to my Summer Contact listed below.

Summer Contact-The best way to contact me during the summer is by emailing me at olhsbanddirector@gmail.com.

Summer Info-You will find the dates for Marching Band listed on our calendar form. The open band dates are so we can pass out music and get to know one another. I know that summer brings vacations so that is why there are two open band dates. We have added a parent meeting to each of these days. We would like at least one parent to attend one of these meetings. If you are unavailable please contact me so I can get you our additional info and answer questions for you. Students should feel free to come to both, but please try to make one. Please make sure to check the liberty music booster website for more information regarding our programs and how you can become involved.
